DOHNE MERINO TELERSGENOOTSAP VAN SA
DOHNE MERINO BREED SOCIETY OF SA

Die taak van die Genootskap se lede is om ramme te teel, maar nie sommer enige ramme nie. Ons teel ramme wat INSTAAT is om PRODUKTIWITEIT te VERHOOG en dus die WINSGEWENDHEID van die wolskaap-kuddes in Suid Afrika.

Dohne telers skenk in die seleksieprogram aandag aan eienskappe met kontant waarde. Dit sluit in reproduksie, lamgroeitempo, moedereienskappe en Merino wolproduksie. Nie alleen meet Dohne telers hierdie belangrike eienskappe van hulle skape wat die akkuraatheid van seleksie verdubbel nie, maar hulle pas die mees doeltreffende teelbeginsels en bestuurstegnieke toe om te verseker dat die vordering vinnig en deurlopend is.

Dohne telers werk as 'n span. Spangees, entoesiasme en toewyding is kenmerkend van almal. Dit is die redes vir die sukses van vele projekte wat die Genootskap onderneem. Dit is ook die rede vir die fenomenale sukses van die DOHNE MERINO skaapas.

**DEUR DOHNE MERINO RAMME TE
GEBRUIK KAN U OOK AANSLUIT BY
HIERDIE KRAGTIGE HULPBRON VAN
HOËR KUDDEPRODUKTIWITEIT**

The business of the members of the Society is to breed rams. But not just any rams - we breed sheep which are CAPABLE of INCREASING the PRODUCTIVITY, and therefore the PROFITABILITY of woolled sheep flocks in South Africa.

Dohne Merino breeders pay attention to cash value characteristics in their selection programs. These include reproduction, lamb growth rate, maternal ability and Merino wool production. Not only do Dohne Merino breeders measure these essential characteristics in their sheep, thus doubling the accuracy of selection, but they also apply the most effective management techniques and breeding principles to ensure that improvement is both rapid and continuous.

Dohne Merino breeders operate as a team. Team spirit, enthusiasm and dedication are features common to them all. These are the reasons for the success of the many projects undertaken by the Society. They are also the reason for the phenomenal success of the DOHNE MERINO sheep.

**BY USING DOHNE MERINO RAMS, YOU TOO
CAN PLUG INTO THIS POWERFUL SOURCE
OF HIGHER FLOCK PRODUCTIVITY.**

Die Skaap vir die huidige ekonomiese klimaat
The Sheep for the current economic climate

VOORSPELDE TEELWAARDES (VTW'S)

Teeltwaardes vir ramme in hierdie katalogus is uit 'n nasionale rasantleding verkry. Hierdie tussen-kudde evaluering maak teeltwaardes van alle diere vergelykbaar.

INTERPRETASIE EN TOEPASSING:

As voorbeeld, kan ons die VTW veseldikte van 2 ramme neem. **Indien ram A 'n negatiewe VTW van -1.5 mikron het en ram B ook 'n negatiewe VTW van -0.3 is die relatiewe genetiese verskil -1.2 mikron. Die veseldikte van ram A se nageslag sal onder gelyke omstandighede waarskynlik $-1.2 \div 2 = 0.6$ mikron fyner wees as dié van ram B.** (Ons deel die totaal deur 2 aangesien die ram en die ooi elkeen slegs 50% van hulle gene aan die nageslag oordra).

VTW's toon verskille tussen diere in absolute waardes aan nl. kg of mikron (Veseldikte). Speengewig VTW's word aangedui as speen direk (individu se direkte genetiese meriete om vinnig te groeie tot op 100 dae ouderdom) en speen maternaal (die gedeelte van elke individu se meriete op 100 dae ouderdom wat toegeskryf word aan die genetiese vermoë van die dier se moeder). Speen direk en speen maternale VTW's word in die verhouding van 1 : 2 ingesluit in die seleksie indeks om die **Algemene Meriete (AM)** van elke dier te bepaal. AM weerspieël die **groeivermoë** van die Dohne Merino's tot op 100 dae ouderdom soos gebalanseer met wolproduksie en wolkwaliteit (veseldikte).

Die teeltwaardes vir reproduksie word onafhanklik van algemene meriete aangedui as getal lammers gespeen per ooi gelam. Hierdie teeltwaardes word bereken deur alle lammers per ooi leeftyd in ag te neem. Dit word dus uitgedruk as die persentasie verandering wat per ooi leeftyd verwag kan word (byvoorbeeld + 1.431 persent lammers meer speen per ooi gelam per ooi leeftyd).

Relatiewe belangrikheid in populasie	Verwagte voorspelling:
Boonste 10% van die eienskap	Baie goeie kans dat hierdie dier die eienskap in jou kudde sal verander. (Veseldikte sal sterker word)
Boonste 40% van die eienskap	Bo gemiddeld. Daar is 'n moontlikheid dat hierdie dier die eienskap in jou kudde sal verander. (Veseldikte sal sterker word)
Tussen onderste 40% en boonste 40% van die eienskap	Gemiddeld: Daar is 'n moontlikheid dat hierdie dier die eienskap in jou kudde min sal verander.
Onderste 40% van die eienskap	Onder gemiddeld: Daar is 'n moontlikheid dat hierdie dier die eienskap in jou kudde sal verander (moontlik verswak) en veseldikte sal fyner word.
Onderste 10% van die eienskap	Ver ondergemiddeld: Baie goeie kans dat hierdie dier die eienskap in jou kudde (waarskynlik) sal verander (verswak) en veseldikte sal fyner word.

VTW = Voorspelde Teeltwaarde
AM = Algemene Meriete

LM = Liggaamsmassa / **SVM** = Skoonvagnmassa / **VD** = Veseldikte
Par/Lam = Aantal parings en lammers geproduseer deur moeder.

Basisjaar:

Die basisjaar vir teeltwaarde vergelykings verskuif elke jaar sodat VTW vergelykings in verhouding bly tot tot die huidige populasie geregistreerde Dohne Merinos. Let op dat VTW's dinamies is en verander namate produksie-inligting oor verwante diere vermeerder. Die algemene meriete (AM) van diere verander dus voortdurend en raak meer akkuraat en betroubaar.

ESTIMATED BREEDING VALUES (EBV's)

Breeding values for rams in this catalogue were obtained from a national breed analysis. The result of this across flock comparison is that EBV's of all animals in this catalogue can be compared.

INTERPRETATION AND APPLICATION

Take for example the EBV of the fibre diameter for two rams. **If ram A has a negative EBV of -1.5 micron and ram B also a negative EBV of -0.3, the relative genetic difference will be -1.2 micron. Under similar circumstances the progeny of ram A will in all probability be $-1.2 \div 2 = 0.6$ micron finer than that of ram B.** (We halve the result because rams and ewes each contribute only half the genes to their progeny).

EBV's express differences between animals in absolute terms viz. Kg. or micron (fibre diameter). Weaning weight EBV's are expressed as Weaning direct (the individual's own ability to grow up to 100 days of age) and weaning maternal (the portion of each individual's merit at 100 days of age that is ascribed to the genetic mothering ability of the specific individual's dam). Weaning direct and weaning maternal EBV's are included into the selection index, in a ratio of 1 : 2 in order to estimate the **General Merit (GM)** of each animal. GM reflect the Dohne Merino's ability to grow fast up to 100 days of age as balanced against wool production and wool quality (fibre diameter).

Breeding values for reproduction are expressed in terms of number of lambs weaned per ewe lambled, independently from general merit. These breeding values are calculated by taking into account all lambs weaned per ewe lifetime. It is therefore expressed as the percentage change per ewe lifetime to be expected. For example, +1.431 percent lambs weaned per ewe which lambled per ewe lifetime.

Relative importance in population	Expected prediction:
Top 10% of trait	Very good chance that animal will change this trait in your flock (fibre diameter will increase).
Top 40% of trait	Above average. Possibility that this animal will change this trait in your flock (fibre diameter will increase).
Between bottom 40% and top 40% of trait	Average: Possibility that this animal will effect little change in this trait in your flock.
Bottom 40% of trait	Below average: It is possible that this animal will change the trait (probably deteriorate – but fibre diameter will decrease) in your flock.
Bottom 10% of this trait	Far below average: Very good chance that this animal will change the trait (probably deteriorate – but fibre diameter will decrease) in your flock.

EBV = Estimated Breeding Value
GM = General Merit

BWT = Body Weight / **CFW** = Clean Fleece Weight / **FD** = Fibre Diameter
Mat/Lamb = number of matings and lambs produced by dam

Base year:

The base year for breeding value comparisons shifts every year to facilitate comparison of EBV's to the current alive population of Dohne Merinos. Note also that EBVs are dynamic and change, depending on the accumulation of production data measured on related animals. General Merit of animals therefore change continuously and becomes more accurate and reliable with time.

RULES OF AUCTION - TERMS AND CONDITIONS

1. This auction will be held under the control of BKB Limited (Pty) Limited (hereinafter referred to as the Auctioneer") with business premises situate at: Rhebok Street, Industrial Area, Humansdorp, 6300
2. The Auctioneer is hereby appointed by the Purchaser and Seller to act for and on behalf of the Purchaser and Seller as agent in accordance with Section 54 of the Value-Added Tax Act, 1991, in respect of all tax invoices, credit and/or debit notes in respect of all livestock, game and/or goods offered at the auction or any costs of transport and insurances premiums paid for on behalf of the Purchaser and Seller.
3. The rules of this auction shall comply with the provisions of Section 45 and all relevant regulations to the Consumer Protection Act 68 of 2008.
4. For greater clarity Section 45(1-4) states as follows:
 - 4.1 In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction. 4.2 When goods are put up for sale by auction, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
 - 4.3 A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted. 4.4 Notice must be given in advance that a lot or sale by auction is subject to:
 - 4.4.1 A reserved or upset price; or
 - 4.4.2 A right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
5. Until the fall of the hammer as contemplated in Section 45(3) of the Act, any bid may be retracted or declined by the Auctioneer if not compliant with the regulations of the Consumer Protection Act.
6. The auction is not an absolute auction but subject to reserved prices settled by the sellers and as pointed out by the Auctioneer prior to the sale of the set asset or lot.
7. The auction shall take place at the date and time as advertised or publicised and will not be postponed or delayed to enable any member or group of the public to partake in the auction.
8. Should the Auctioneer become aware of any fault on advertising material or any other publication or amendment to these Rules of Auction, the Auctioneer will prior to the auction point out and when necessary amend such mistakes in the advertisement or publication.
9. Any person attending the auction to enter a bid, must prior to the auction register as a buyer on the bidders' roll and comply with the conditions as set out in Chapter 1 of FICA 2001. The purchaser shall sign the bidders' roll/card.
10. Any person who attends the auction to enter a bid on behalf of another person must be duly authorised thereto by means of a written letter of authority from its principal and such a person together with his principal must both register prior to the auction on the bidders' roll and provide all necessary information as required in Chapter 1 of the regulations issued in terms of FICA 2001 with regard to proof of its identity. The bidders' roll must be signed by such a person and on behalf of its principal.
11. Where the principal is a company the letters of authority shall appear on the letterhead of the company together with a certified copy of a resolution authorizing the person to bid on behalf of the company. (For purposes of this rule any reference to a company will include any reference to juristic person including partnerships, trusts or incorporated entities).
12. All purchasers have a right of inspection of all goods put up for sale and the auctioneer shall provide reasonable time and access prior to the start of the auction for such an inspection.
13. All livestock and goods are sold "voetstoots" and the purchasers do not enjoy the protection of Section 55 and 56 of the Consumer Protection Act.
14. Any information provided regarding the quality, breeding, age, date of insemination, condition, reproductive status or any information regarding health, production or mass or any other aspect of the livestock, is provided by the seller and any misrepresentation by the seller is without the cooperation or knowledge of the Auctioneer. Any right of recourse as a result of such misrepresentation shall be against the seller.
15. Any bid made does not include VAT which, where applicable, will be added to the bidding price for which a VAT invoice will be issued.
16. All sales are for cash and purchase price is payable immediately to the Auctioneer on acceptance of the bid unless otherwise arranged prior to the auction with the Auctioneer. Any payment made in cash is further subject to cash or any other handling fees. Should the Purchaser however fail to make payment within 7 days from date of delivery, BKB will be entitled to add interest calculated at the current bank prime rate plus 5% to the capital amount outstanding. The interest will be calculated monthly and capitalised.
17. Should the purchaser not pay the purchase price immediately and has failed to make arrangements for payment with the Auctioneer, then the Auctioneer can/will cancel the sale and treat the assets or lots as unsold lots which may again be presented on the auction for sale or be sold out of hand by means of liaison services, depending on the sellers mandate to the auctioneer.
18. Ownership in the lot or assets will remain that of the seller until the purchase price has been paid in full to the seller with the provision that the risk in the assets or lot passes to the purchaser at the fall of the hammer as set out in clause 24.
19. In the event that Purchaser has made necessary finance arrangements with BKB, the Purchaser hereby authorises BKB to pay the purchase price or costs of transport, insurance and any other agreed cost, minus BKB's commissions, on behalf of the Purchaser to the Seller and other service providers, in which event the said payment by BKB on behalf of the Purchaser will be deemed to be monies lent and advanced, the terms and conditions thereof being agreed with the Purchaser in a separate credit agreement or sale agreement. All payments made by BKB to the Seller on behalf of the Purchaser in terms of this clause will be made after the lapse of 5 (Five) working days from date of

delivery of the asset to the Purchaser. Any payment made by BKB to the Seller prior to the lapse of the 5 (Five) working day period is made at the sole discretion of BKB and not an enforceable indulgence.

20. For as long as any amount is owing to BKB by the Purchaser, the Purchaser may not, where the assets are the subject of security of the Purchasers credit facility with BKB, relinquish possession of the said asset, nor may he cede the asset or any of its rights and obligations in terms of this agreement to a third party or otherwise encumber, sell or dispose of the said asset or allow it to become the subject of any right of retention, hypothec, pledge or any encumbrance, whatever the cause thereof may be. BKB may be entitled to cede its rights and obligations without affecting its rights of recourse for any monies still due to it.

21. In the event of the Seller already being indebted to BKB or any of its affiliates at the time of this auction, the Seller hereby irrevocably authorises BKB to set off the purchase price due to the Seller by BKB (minus BKB's commission) against the amounts due by the Seller to BKB.

22. Where BKB, in terms of a credit agreement, lent and advanced monies to the Purchaser for payment of the purchase price of any asset or payment of any transport costs or insurance premiums, no defence of whatsoever nature which the Purchaser may raise against the Seller or the transport contractor or the insurance company may be raised against BKB and the Purchaser shall still be obligated to pay all amounts owing, together with further interest and costs thereon raised in terms of the credit agreement or sale agreement, to be BKB. The conditions of this clause do not interfere with the rights, entitlements or remedies the Purchaser may have against the Seller, transport contractor or insurance company.

23. Neither the Purchaser, nor the Seller, shall be entitled to apply set-off or to retain any monies owing arising from any claim they may have against each other or BKB with regards to any amount owing in terms hereof. Each lot shall immediately after the fall of the hammer deemed to be delivered to the purchaser at which time the risk will pass to the purchaser who will at his own risk and cost remove the lots or assets from the auction terrain. Removal of any assets or lots however will not be allowed by the Auctioneer until payment of the purchase price by the purchaser or acceptable arrangements for payment thereof have been made by the purchaser with the Auctioneer.

24. Each lot shall immediately after the fall of the hammer deemed to be delivered to the purchaser at which time the risk will pass to the purchaser who will at his own risk and cost remove the lots or assets from the auction terrain. Removal of any assets or lots however will not be allowed by the Auctioneer until payment of the purchase price by the purchaser or acceptable arrangements for payment thereof have been made by the purchaser with the Auctioneer.

25. The Auctioneer will only be obliged to give reasons of the auction if such reasons are other than the voluntary sale of goods by its owners.

26. The bidders' roll and vendor roll will be available for inspection during the normal office hours at the business premises of the Auctioneer.

27. The rules of auction will only be read out at the auction if they were not available to the public at the place of business of the Auctioneer. In the event of livestock and game auctions, the rules of auction remain unchanged and are in general available at the business premises of the Auctioneer or on the website of the Auctioneer.

28. Under no circumstances will BKB be held liable for any loss or damage of any cause whatsoever albeit direct or indirect damages suffered by anyone if the livestock at the auction premises have to be placed under quarantine as a result of the presence of a livestock disease present. In such event BKB will have the right to cancel the auction as well as any already complete sales and no party will be entitled or have a right of recourse against BKB.

29. Any party requiring permits, removal certificate, documentation of identification or any other statutory prescribed document will solely be responsible for obtaining same. Any instructions to an auctioneer with regards to the loading, transporting, choice of transport contractors, insurance or choice of insurers will be executed at the sole risk of the person acquiring such services and the Auctioneer will not be held responsible for any losses whether direct or indirect which may be suffered as a result of giving effect to the instructions by the Auctioneer. The Auctioneer however does accept responsibility as contemplated in Section 35(2) of the Consumer Protection Act whilst the goods or lots are in the possession of the auctioneer. Any agreement entered into by the Auctioneer with a transport company or insurer is done so in its representative capacity of the seller or buyer. All transport costs or insurance premiums are therefore payable to the Auctioneer in cash except if acceptable alternative arrangements were made with the Auctioneer.

30. Both the seller and the buyer consent to the jurisdiction of the Magistrate's Court as contemplated in Section 45 of Act 32 of 1944 having regard to any action which the Auctioneer may institute against the buyer or seller irrespective of the cause of action. Notwithstanding the aforesaid the Auctioneer will have the sole and absolute discretion to institute action in any High Court with appropriate jurisdiction.

31. Any legal costs that BKB may have or will incur as a result of the non-compliance of the Purchaser and/or Seller in terms of its or their obligations herein, shall be recoverable by BKB, together with collection commissions from the Purchaser and/or Seller on a scale as between attorney and own client.

32. No variation, amendment, novation or addition to these terms and conditions will have the effect of BKB renouncing any of its rights in terms hereof, unless it is reduced to writing and signed by BKB.

33. No relaxation or indulgence by the Auctioneer must be interpreted as a waiver of any of the Auctioneer's rights in terms hereof. Such relaxation or indulgence must also not be interpreted as a novation hereof.

34. Should any condition be unlawful or become retrospectively unlawful, that unlawful condition shall be deemed to be amended to the extent and in the manner as is necessary to make it lawful or should such amendment be impossible, the unlawful conditions shall be deemed divisible from the remainder of the conditions and pro non scripto.

35. The cattle scale despite being calibrated, is not verified in term of the Legal Metrology Act.

36. The weight as displayed for each lot is an unverified indication of average weight and may not be relied on for purposes of entering a bid.

37. All sales of livestock are sales per head of cattle and not per kilogram

38. Rules of auctions and term and conditions in other languages can be asked for.

SERVICE EXCELLENCE

OUR COMMITMENT. YOUR CONFIDENCE.

At BKB we value the importance of trust. Trusting that the rains will return and that the land will produce for those who nurture it. Knowing that trust cannot be bought, but rather earned over time through our actions and our commitment to you, through the good times and bad. We take pride in the relationships we have built with generations of clients, each underpinned by **integrity** and bound through a look in the eye and the shake of a hand.
