Farm for Sale in *Agter-Paarl...*

UNIQUE AGRICULTURAL OPPORTUNITY IN A PRESTIGIOUS FARMING AREA

349 HA VINEYARD AND CROP FARM FOR SALE

This is an exceptional and rare opportunity to acquire a valuable agricultural property in one of the Western Cape's most sought-after farming regions. Properties of this size and location seldom come onto the market, making this offering particularly attractive to serious farmers and investors.

The farm is situated along the Hoogstede gravel road and boasts breathtaking views of the Paarl Mountain range as well as Table Mountain. The property features exceptionally fertile soil, making it ideal for a variety of agricultural activities. Approximately 32 hectares are planted to established vineyards, with a further 300 hectares of arable land offering excellent potential for mixed farming operations.

The existing infrastructure includes a farmhouse requiring renovation, five labourers' cottages, a large storage shed, a shearing shed, and livestock handling facilities with a dipping tank. The property is further supported by two operational boreholes: one supplying domestic water and a second irrigation borehole with a yield of approximately 16,000 litres per hour. Two Eskom power points provide reliable electricity to the farm.

With its outstanding location, established agricultural infrastructure, fertile soils, and impressive views, this farm presents a rare opportunity to acquire a productive and well-positioned agricultural property with significant potential for future development and profitable farming operations.

A rare opportunity to invest in a premier agricultural region.
