RULE OF AUCTION TERMS AND
CONDITIONS

1. This auction will be held under the control of BKB Limited whether directly or through a subsidiary company (hereinafter referred to as "the Auctioneer or BKB") with business premises situated at 63 Grahamstown Road North End Gqeberha:
2. The Auctioneer is hereby appointed by the Purchaser and Seller to act for and on behalf of the Purchaser and Seller as agent in accordance with section 54 of the Value Added Tax Act 1991, in respect of all tax invoices, credit and/or debit notes in respect of all livestock, game and/or goods offered at the auction or any costs of transport and insurance premiums paid for on behalf of the Purchaser and/or the Seller.
3. The rules of this auction shall comply with the provisions of Section 45 and all relevant regulations to the Consumer Protection Act 68 of 2008.
4. For greater clarity Section 45(1-4) states as follows:
 - 4.1 In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
 - 4.2 When goods are put up for sale by auction, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
 - 4.3 A sale by auction is completed when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
 - 4.4 Notice must be given in advance that a sale by auction is subject to:
 - 4.4.1 A reserved or upset price; or
 - 4.4.2 A right to bid by or on behalf of the owner or Auctioneer, in which case the owner or Auctioneer, or any one person on behalf of the owner or Auctioneer may bid at the auction.
5. Until the fall of the hammer as contemplated in Section 45(3) of the Act, any bid may be retracted or declined by the Auctioneer if not compliant with the regulations of the Consumer Protection Act.
6. The auction is further subject to the APAC Biosecurity Rules for Livestock Agents published in Board Notice 135 of 2020. These rules can be accessed at www.bkb.co.za.
7. Unless so stated by the Auctioneer prior to commencement of the auction, the auction is not an absolute auction but subject to reserved prices settled by the Sellers and as pointed out by the Auctioneer prior to the sale of the specific asset or lot.
8. The Auctioneer provides no guarantee and makes no representation regarding sale prices and unless the Auctioneer's mandate states otherwise, the Sellers have the option to withdraw lots from the auction where reserve prices are not obtained. The Seller shall instruct the Auctioneer in this regard who shall announce the Seller's decision after bidding has closed relating to a relevant lot.
9. The auction shall take place at the date and time as advertised or published and will not be postponed or delayed, enabling any member or group of the public to partake in the auction.
10. Should the Auctioneer become aware of any fault on advertising material or any other publication or amendment to these Rules of Auction, the Auctioneer will prior to the auction point out and when necessary, amend such mistakes in the advertisement or publication.
11. Any person attending the auction to enter a bid, must prior to the auction register as a buyer on the bidders' roll and provide documentation that identifies the bidder as prescribed by FICA and the Risk Management Compliance Program (RMCP) adopted and amended by BKB from time to time. The RMCP can be accessed at www.bkb.co.za. The purchaser shall sign the bidders' roll.
12. Any person who attends the auction to enter a bid on behalf of another person must be duly authorised thereto by means of a written letter of authority from its principal and such a person together with his principal must provide both all necessary information as required by FICA and the RMCP regarding proof of their identity. The bidders' roll must be signed by such a person who will also sign on behalf of its principal duly authorised to do so.
13. Where the principal is a company the letters of authority shall appear on the letterhead of the company together with a certified copy of a resolution authorising the person to bid on behalf of the company and to sign the bidder's roll on behalf of the principal. (For purposes of this rule any reference to a company will include any reference to juristic person including partnerships, trusts or incorporated entities)
14. All bidders have a right to inspect all goods put up for sale and the auctioneer shall provide reasonable time and access prior to the start of the auction for such an inspection.
15. All livestock is sold "voetstoots" and the purchasers do not enjoy the protection of Section 55 and 56 of the Consumer Protection Act.
16. Any information provided regarding the quality, breeding, age, date of insemination, condition, reproductive status or any information regarding health, production or mass or any other aspect of the livestock, is provided by the Seller and any misrepresentation by the Seller

is without the cooperation or knowledge of the Auctioneer. Any right of recourse as a result of such misrepresentation shall be against the Seller who indemnifies the Auctioneer against any claim or damages suffered and the Purchaser nor registered buyers shall have any claim against the Auctioneer.

17. Any bid made does not include VAT which, where applicable, will be added to the bidding price for which a VAT invoice will be issued.
18. The purchase price, Auctioneer's commissions (if payable by the purchaser), all statutory levies, the transport costs (if any) and the insurance costs (if any) are immediately payable in cash by the purchaser to the Auctioneer upon entering into the transaction or payable by EFT within an agreed time period thereafter if so agreed before the auction. Any payment made in cash is further subject to cash or any other handling fees.
19. Should the purchaser not pay the purchase price on finalisation of the auction and fail to make arrangements for payment with the Auctioneer, then the Auctioneer may cancel the sale and treat the assets or lots as unsold lots which may again be presented on the auction for sale or be sold out of hand by means of liaison services, depending on the Seller's mandate to the auctioneer.
20. In the event that purchaser has made necessary finance arrangements with the Auctioneer or payment of the purchase price is only due within an agreed time period after the auction, the Purchaser hereby authorises the Auctioneer/BKB to pay the purchase price and/or costs of transport and/or cost of insurance and any other agreed cost on behalf of the purchaser to the Seller and other service providers. In such an event, payment of the purchase price is due by the Purchaser to BKB either on the expiry of the agreed time period calculated from the date of finalisation of the auction or on the terms of repayment agreed with the purchaser in a separate credit agreement or sale agreement entered into between the purchaser and the Auctioneer. Should the purchaser however fail to make payment within the agreed time, the Auctioneer will be entitled to add interest calculated at the current bank prime rate, plus 5% (five percent) from the due date to date of payment to the capital amount outstanding. The interest will be calculated monthly and capitalised.
21. All payments made by the Auctioneer to the Seller on behalf of the Purchaser in terms of this clause will be made no later than 5 (five) working days calculated from finalisation of the auction.
22. Where BKB lent and advanced monies to the purchaser for payment of the purchase price of any goods or livestock or payment of any transport costs or insurance premiums, no defense of whatsoever nature which the Purchaser may raise against the Seller or the transport contractor or the insurance company may be raised against BKB and the Purchaser shall still be obligated to pay all amounts owing, together with further interest and costs thereon raised as contemplated in clause 20, to BKB. The conditions of this clause shall not affect any rights, entitlement or remedies the purchaser may have against the Seller, transport contractor or insurance company.
23. Where the Seller is already indebted to BKB or any of its affiliate companies or any department of BKB prior to entering into this transaction, irrespective of the cause of such indebtedness, the Seller, by his signature hereto, irrevocably authorises BKB to credit the purchase price of this transaction against his account with BKB (less the Auctioneer's commission and agreed costs), such credit being payment of the purchase price on behalf of the Purchaser.
24. Ownership in the lot or assets is retained until the purchase price has been paid in full by the Purchaser to the Seller or BKB (where the Seller has been paid by BKB), with the provision that the risk in the assets or lot passes to the Purchaser at the fall of the hammer as set out in clause 28.
25. For as long as any amount is owing to BKB by the Purchaser in terms hereof, the Purchaser may not relinquish possession of the said asset, nor may he cede the asset(s) or any of its rights and obligations in terms of this agreement to a third party or otherwise encumber, sell or dispossess the said asset(s) or allow it to become the subject of any right of retention, hypothec, pledge or any encumbrance, whatever the cause thereof may be. BKB is entitled to cede or assign its rights and obligations in terms hereof without affecting its rights of recourse for any monies still due to BKB.
26. The Auctioneer shall pay all monies received from Purchasers into an account from where the Auctioneer shall account to the Seller the net proceeds, being the gross proceeds minus any Advance Amount, agreed commissions or agreed costs of auction.
27. Neither the purchaser, nor the Seller shall be entitled to apply set off.
28. Each lot shall immediately after the fall of the hammer deemed to be delivered to the Purchaser at which time all risk in and to the lot or asset sold will pass to the Purchaser who will at his own risk and cost remove the lots or assets from the auction terrain. Removal of any assets or loss, however, will not be allowed by the Auctioneer until payment of the purchase price by the Purchaser or acceptable arrangements for payment thereof have been made by the Purchaser with the Auctioneer.
29. The Auctioneer will only be obliged to give reasons of the auction if such reasons are other than the voluntary sale of goods by its owners.
30. The bidders' roll and vendor roll will be available for inspection by registered bidders during normal office hours at the business premises of the Auctioneer.
31. The rules of auction will only be read out at the auction if they are not available to the public at the place of business of the Auctioneer or at the auction facility. In the event of livestock and game auctions, the rules of auction remain unchanged and are in general available at the business premises of the Auctioneer or on the website of the Auctioneer.
32. Under no circumstances will BKB be held liable for any loss or damage of any cause whatsoever albeit direct or indirect damages suffered by anyone if the livestock accepted at the auction premises must be placed under quarantine during or after the auction because of the presence of a livestock disease present. In such an event BKB will have the right to cancel the auction as well as any already

complete sales and no party will be entitled to or have a right of recourse against BKB.

33. Any party requiring permits, removal certificate, documentation of identification or any other statutory prescribed document will solely be responsible for obtaining same. Any instructions to an Auctioneer with regards to the loading, transporting, choice of transport contractors, insurance or choice of insurers will be executed at the sole risk of the person acquiring such services and the Auctioneer will not be held responsible for any losses whether direct or indirect which may be suffered as a result of giving effect to the instructions by the Auctioneer. Any agreement entered by the Auctioneer with a transport company or insurer is done so in its representative capacity of the Seller or Purchaser. All transport costs or insurance premiums are therefore payable to the Auctioneer in cash except if acceptable alternative arrangements were made with the Auctioneer.
34. Both the Seller and the Purchaser consent to the jurisdiction of the Magistrate's Court as contemplated in Section 45 of Act 32 of 1944 having regard to any action which the Auctioneer may institute against the Purchaser or Seller irrespective of the cause of action. Notwithstanding the aforesaid the Auctioneer will have the sole and absolute discretion to institute action in any High Court with appropriate jurisdiction.
35. Any legal costs that BKB may have or will incur because of the non-compliance of the Purchaser or the Seller shall be recoverable on an scale as between attorney and own client scale, together with collection commission and interest on overdue amounts.
36. No relaxation or indulgence by the Auctioneer must be interpreted as a waiver of any of the Auctioneer's rights in terms hereof. Such relaxation or indulgence must also not be interpreted as a novation hereof.
37. Should any conditions of this agreement be unlawful or become retrospectively unlawful, that unlawful condition shall be deemed to be amended to the extent and in the manner as is necessary to make it lawful or should such an amendment be impossible, the unlawful conditions shall be deemed devisable from the remainder of the conditions of this agreement and pro non script.
