WELCOME

“WE LOVE ANGUS CATTLE”

On behalf of the Aucamp and Mackenzie families, I welcome you to our 2023 sale.

Thanks to Barry and Alta and family (Brosterlea Shorthorns) for joining us. We are very grateful for the amazing season we currently experiencing. The area has had plenty of rain. The rain has brought about its own challenges. Three Day Stiff Sickness and Lumpy Skin disease has been prominent in our area as it has been across the country. Due to these challenges we decided to multisire our females, after we did the AI programme. We used some our standout young bulls at 14/15 months old for this. We are extremely happy we did as our overall fertility rate in the herd was 93%!

Our Bulls on offer today come from the AI programme and from our 2021 group of sale bulls.

Angus, the world's largest beef breed offers genetic excellence in fertility, ease of calving, exceptional maternal ability, early maturity, polling, and favourable feed conversion rates. Angus cattle are also known for their excellent temperaments. These are the typical genetic traits our herd provides.

Our cattle are stout, moderately framed animals bred for tough conditions. Thanks to Ian Sheard for doing the auctioneering.

Thanks to Christo and his team at BKB for their professional assistance in making this day possible.

Thanks to Gary Trethewey for his inputs and assistance with the order of the sale. Gary your knowledge of cattle is amazing!

Many thanks to all the buyers for your support over the years and today. We hope the bulls on offer today meet your standards. Your support is greatly appreciated.

I hope that all, buyers as well as guests, enjoy the day with us.

Please stay safe and healthy!!!!!!

HANNES AUCAMP

AUCDEEN SALE CHECKLIST

- A- SALE IS PROUDLY UNDER THE AUSPICES OF THE ANGUS BREED SOCIETY**
- B- ALL ANIMALS ON THE SALE WERE INSPECTED AND APPROVED BY DANIE DAMES**
- C- ALL BULLS ARE VACCINATED FOR:** Anthrax, Botulism, Black Quarter, Lumpy Skin, Three Day Stiffsickness and given Bovishield Gold and
