**ANGUS**  
WES- & SUID-KAAP

06 JUNE 2024  
SWARTLAND SHOWGROUNDS  
MOORREESBURG

**Welkom by die veiling.  
Welcome to the auction.**

**RULES OF AUCTION**  
**TERMS AND CONDITIONS**

1. This auction will be held under the control of BKB Limited (hereinafter referred to as "the Auctioneer") with business premises situated at:

**56 Radio Road, Klipheuwel, 7303**

**PO Box 3, Paarl, 7620**

2. The Auctioneer is hereby appointed by the Purchaser and Seller to act for and on behalf of the Purchaser and Seller as agent in accordance with Section 54 of the Value-Added Tax Act, 1991, in respect of all tax invoices, credit and/or debit notes in respect of all livestock, game and/or goods offered at the auction or any costs of transport and insurances premiums paid for on behalf of the Purchaser and Seller.
3. The rules of this auction shall comply with the provisions of Section 45 and all relevant regulations to the Consumer Protection Act 68 of 2008.
4. For greater clarity Section 45(1-4) states as follows:
  - 4.1 In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
  - 4.2 When goods are put up for sale by auction, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
  - 4.3 A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
  - 4.4 Notice must be given in advance that a lot or sale by auction is subject to:
    - 4.4.1 A reserved or upset price; or
    - 4.4.2 A right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
5. Until the fall of the hammer as contemplated in Section 45(3) of the Act, any bid may be retracted or declined by the Auctioneer if not compliant with the regulations of the Consumer Protection Act.
6. The auction is not an absolute auction but subject to reserved prices settled by the sellers and as pointed out by the Auctioneer prior to the sale of the set asset or lot.
7. The auction shall take place at the date and time as advertised or publicised and will not be postponed or delayed to enable any member or group of the public to partake in the auction.
8. Should the Auctioneer become aware of any fault on advertising material or any other publication or amendment to these Rules of Auction, the Auctioneer will prior to the auction point out and when necessary amend such mistakes in the advertisement or publication.
9. Any person attending the auction to enter a bid, must prior to the auction register as a buyer on the bidders' roll and comply with the conditions as set out in Chapter 1 of FICA 2001. The purchaser shall sign the bidders' roll/card.
10. Any person who attends the auction to enter a bid on behalf of another person must be duly authorised thereto by means of a written letter of authority from its principal and such a person together with his principal must both register prior to the auction on the bidders' roll and provide all necessary information as required in Chapter 1 of the regulations issued in terms of FICA 2001 with regard to proof of its identity. The bidders' roll must be signed by such a person and on behalf of its principal.
11. Where the principal is a company the letters of authority shall appear on the letterhead of the company together with a certified copy of a resolution authorizing the person to bid on behalf of the company. (For purposes of this rule any reference to a company will include any reference to juristic person including partnerships, trusts or incorporated entities).
12. All purchasers have a right of inspection of all goods put up for sale and the auctioneer shall provide reasonable time and access prior to the start of the auction for such an inspection.
13. All livestock and goods are sold "voetstoets" and the purchasers do not enjoy the protection of Section 55 and 56 of the Consumer Protection Act.
14. Any information provided regarding the quality, breeding, age, date of insemination, condition, reproductive status or any information regarding health, production or mass or any other aspect of the livestock, is provided by the seller and any misrepresentation by the seller is without the cooperation or knowledge of the Auctioneer. Any right of recourse as a result of such misrepresentation shall be against the seller.
15. Any bid made does not include VAT which, where applicable, will be added to the bidding price for which a VAT invoice will be issued.
16. All sales are payable immediately to the Auctioneer on acceptance of the bid unless otherwise arranged prior to the auction with the Auctioneer. Should the Purchaser however fail to make payment within 7 days from date of delivery, BKB will be entitled to add interest calculated at the current bank prime rate plus 5% to the capital amount outstanding. The interest will be calculated monthly and capitalised.
17. Should the purchaser not pay the purchase price immediately and has failed to make arrangements for payment with the Auctioneer, then the Auctioneer can/will cancel the sale and treat the assets or lots as unsold lots which may again be presented on the auction for sale or be sold out of hand by means of liaison services, depending on the seller's mandate to the auctioneer.
18. Ownership in the lot or assets will remain that of the seller until the purchase price has been paid in full to the seller with the provision that the risk in the assets or lot passes to the purchaser at the fall of the hammer as set out in clause 24.
19. In the event that Purchaser has made necessary finance arrangements with BKB, the Purchaser hereby authorises BKB to pay the purchase price or costs of transport, insurance and any other agreed cost, minus BKB's commissions, on behalf of the Purchaser to the Seller and other service providers, in which event the said payment by BKB on behalf of the Purchaser will be deemed to be monies lent and advanced, the terms and conditions thereof being agreed with the Purchaser in a separate credit agreement or sale agreement. All payments made by BKB to the Seller on behalf of the Purchaser in terms of this clause will be made after the lapse of 5 (Five) working days from date of delivery of the asset to the Purchaser. Any payment made by BKB to the Seller prior to the lapse of the 5 (Five) working day period is made at the sole discretion of BKB and not an enforceable indulgence.
20. For as long as any amount is owing to BKB by the Purchaser, the Purchaser may not, where the assets are the subject of security of the Purchaser's credit facility with BKB, relinquish possession of the said asset, nor may he cede the asset or any of its rights and obligations in terms of this agreement to a third party or otherwise encumber, sell or dispossess the said asset or allow it to become the subject of any right of retention, hypothec, pledge or any encumbrance, whatever the cause thereof may be. BKB may be entitled to cede its rights and obligations without affecting its rights of recourse for any monies still due to it.
21. In the event of the Seller already being indebted to BKB or any of its affiliates at the time of this auction, the Seller hereby irrevocably authorises BKB to set off the purchase price due to the Seller by BKB (minus BKB's commission) against the amounts due by the Seller to BKB.
22. Where BKB, in terms of a credit agreement, lent and advanced monies to the Purchaser for payment of the purchase price of any asset or payment of any transport costs or insurance premiums, no defence of whatsoever nature which the Purchaser may raise against the Seller or the transport contractor or the insurance company may be raised against BKB and the Purchaser shall still be obligated to pay all amounts owing, together with further interest and costs thereon raised in terms of the credit agreement or sale agreement, to be BKB. The conditions of this clause do not interfere with the rights, entitlements or remedies the Purchaser may have against the Seller, transport contractor or insurance company.
23. Neither the Purchaser, nor the Seller, shall be entitled to apply set-off or to retain any monies owing arising from any claim they may have against each other or BKB with regards to any amount owing in terms hereof. Each lot shall immediately after the fall of the hammer deemed to be delivered to the purchaser at which time the risk will pass to the purchaser who will at his own risk and cost remove the lots or assets from the auction terrain. Removal of any assets or lots however will not be allowed by the Auctioneer until payment of the purchase price by the purchaser or acceptable arrangements for payment thereof have been made by the purchaser with the Auctioneer.

24. Each lot shall immediately after the fall of the hammer deemed to be delivered to the purchaser at which time the risk will pass to the purchaser who will at his own risk and cost remove the lots or assets from the auction terrain. Removal of any assets or lots however will not be allowed by the Auctioneer until payment of the purchase price by the purchaser or acceptable arrangements for payment thereof have been made by the purchaser with the Auctioneer.
25. The Auctioneer will only be obliged to give reasons of the auction if such reasons are other than the voluntary sale of goods by its owners.
26. The bidders' roll and vendor roll will be available for inspection during the normal office hours at the business premises of the Auctioneer.
27. The rules of auction will only be read out at the auction if they were not available to the public at the place of business of the Auctioneer. In the event of livestock and game auctions, the rules of auction remain unchanged and are in general available at the business premises of the Auctioneer or on the website of the Auctioneer.
28. Under no circumstances will BKB be held liable for any loss or damage of any cause whatsoever albeit direct or indirect damages suffered by anyone if the livestock at the auction premises have to be placed under quarantine as a result of the presence of a livestock disease present. In such event BKB will have the right to cancel the auction as well as any already complete sales and no party will be entitled or have a right of recourse against BKB.
29. Any party requiring permits, removal certificate, documentation of identification or any other statutory prescribed document will solely be responsible for obtaining same. Any instructions to an auctioneer with regards to the loading, transporting, choice of transport contractors, insurance or choice of insurers will be executed at the sole risk of the person acquiring such services and the Auctioneer will not be held responsible for any losses whether direct or indirect which may be suffered as a result of giving effect to the instructions by the Auctioneer. The Auctioneer however does accept responsibility as contemplated in Section 35(2) of the Consumer Protection Act whilst the goods or lots are in the possession of the auctioneer. Any agreement entered into by the Auctioneer with a transport company or insurer is done so in its representative capacity of the seller or buyer. All transport costs or insurance premiums are therefore payable to the Auctioneer except if acceptable alternative arrangements were made with the Auctioneer.
30. Both the seller and the buyer consent to the jurisdiction of the Magistrate's Court as contemplated in Section 45 of Act 32 of 1944 having regard to any action which the Auctioneer may institute against the buyer or seller irrespective of the cause of action. Notwithstanding the aforesaid the Auctioneer will have the sole and absolute discretion to institute action in any High Court with appropriate jurisdiction.
31. Any legal costs that BKB may have or will incur as a result of the non-compliance of the Purchaser and/or Seller in terms of its or their obligations herein, shall be recoverable by BKB, together with collection commissions from the Purchaser and/or Seller on a scale as between attorney and own client.
32. No variation, amendment, novation or addition to these terms and conditions will have the effect of BKB renouncing any of its rights in terms hereof, unless it is reduced to writing and signed by BKB.
33. No relaxation or indulgence by the Auctioneer must be interpreted as a waiver of any of the Auctioneer's rights in terms hereof. Such relaxation or indulgence must also not be interpreted as a novation hereof.
34. Should any condition be unlawful or become retrospectively unlawful, that unlawful condition shall be deemed to be amended to the extent and in the manner as is necessary to make it lawful or should such amendment be impossible, the unlawful conditions shall be deemed deviable from the remainder of the conditions and *pro non scripto*.
35. The cattle scale despite being calibrated, is not verified in term of the Legal Metrology Act.
36. The weight as displayed for each lot is an unverified indication of average weight and may not be relied on for purposes of entering a bid.  
37. All sales of livestock are sales per head of cattle and not per kilogram
38. Rules of auctions and term and conditions in other languages can be asked for.

## GENETIC VALUES - BUILDING BLOCKS

Calf and Mother				Fertility				Post-Wean Growth			Frame			Carcass		
Birth Dir.	Birth Mat.	Wean Dir.	Wean Mat.	Scr. Circ.	Heifer Fert.	Cow Fert.	Longev.	Post Wean	ADG	FCR	Mature Weight	Height	Length	EMA	Fat	Mar
83	121	130	89	112	84	101	112	125	126	129	113	104	115	149	82	119

10      11      12      13      14      15      16      17      18      19      20      21      22      23      24      25      26      27

The Logix Selection Values are compiled of specific genetic building blocks, as indicated in the selection value descriptions on the next page.

These genetic building blocks are indicated in the catalogue by their Breeding Value indices and accuracies.

## PHENOTYPIC VALUES

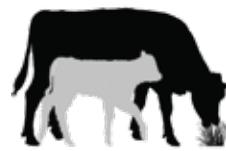

Birth Weight 47kg	205D Weight 239kg   109 (19)	365D Weight 284kg   99 (10)	540D Weight 390kg   92 (10)	ADG Index 1680g/d   90 (13)	FCR Index 6.08   98	Scrotum 353mm (D1)	LH 1.20
----------------------	---------------------------------	--------------------------------	--------------------------------	--------------------------------	------------------------	-----------------------	------------

10      11      12      13      14      15      16      17      18      19      20      21      22      23      24      25      26      27

- 205D, 365D, 540D weights - adjusted weaning, year and 18 month weights, the phenotypic index obtained, and the number of animals in the contemporary group
- ADG and FCR Indices - phenotypic index obtained within the animal's contemporary group
- Scrotum - adjusted scrotal circumference, in mm, as measured at the end of the growth test, as well as the growth test type
- Length-Height Ratio (LH) - the animal's length to height ratio, as measured at the end of the growth test

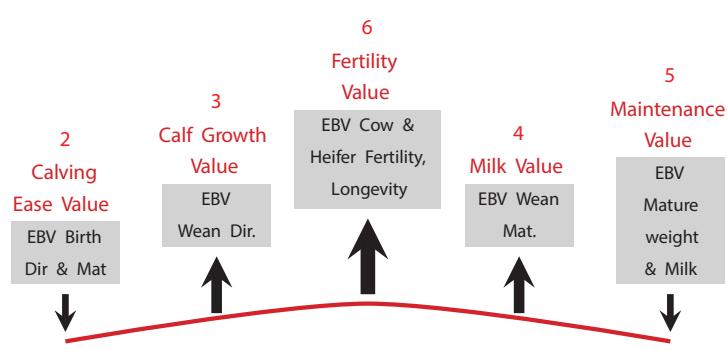

## LOGIX SELECTION VALUES

COW VALUE 108	
103	Calving Ease Value
118	Calf Growth Value
86	Milk Value
80	Maintenance Value
110	Fertility Value
GROWTH VALUE 105	
CARCASS VALUE 110	
PRODUCTION VALUE 103	

**1 L GIX Cow Value**

Selection for:

- Fertile cows,
- with low maintenance,
- that calf easily,
- and wean heavy calves

**7 L GIX Growth Value**

Selection for efficient growers  
on veld & in the feedlot

**8 L GIX Carcass Value**

Selection for higher  
meat yield on carcass

**9 L GIX Production Value**

Selection for easy-care, Profitable cattle

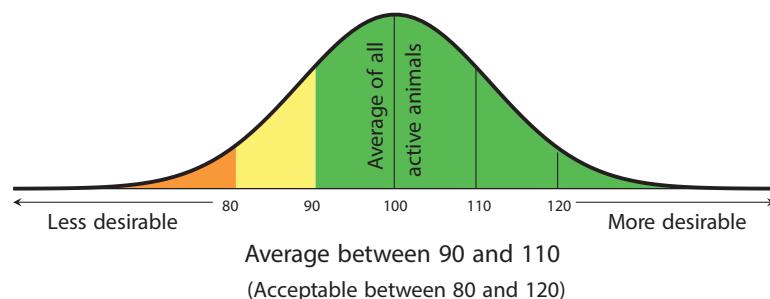

- 80% Cow Value
- 20% Growth Value

## EXPLANATION OF BREEDING VALUES AND SELECTION VALUES

	Traits	Description/Measurement	Goal	General Guidelines					
				<80	<90	90-110	>110	>120	
Selection Values	1 Cow Value	Combination of Calving Ease, Calf Growth, Milk, Maintenance and Fertility Values (Rand-Value)	Profitable Cow	Loss	High	Light	Less	High	Profit
	2 Calving Ease Value	Risk for calving problems (calf too heavy) vs calf too small	Avg. birth weight	High	Low	Medium	High	Low	Low
	3 Calf Growth Value	Calf's genetic ability for pre-weaning growth	Heavy weaner calf	Light	Medium	High	Low	Medium	Medium
	4 Milk Value	Cow's genetic mothering and milking ability	Enough milk for the calf	Less	Medium	High	Low	Medium	Medium
	5 Maintenance Value	Maintenance requirements of cow (cow weight and milk)	Low cow maintenance	High	Medium	Low	High	Medium	High
	6 Fertility Value	Fertility and retention of cows and heifers	Fertile cows	Low	Medium	High	Low	Medium	High
	7 Growth Value	Efficient growth on veld and in feedlot (R-value)	Profitable growth	Loss	Medium	High	Low	Medium	Profit
	8 Carcass Value	Meat on carcass (Weight and RTU EBVs)	More meat on the carcass	Less	Medium	High	Low	Medium	More
	9 Production Value	Combination of Cow- and Growth values (R-value)	Profitable animals	Loss	Medium	High	Low	Medium	Profit
Cow & Heifer	10 Birth Weight Direct	Birth weight (Calf's genetic ability)	Avg. birth weight	Heavy	Light	Medium	High	Low	Light
	11 Birth Weight Maternal	Birth weight (Cow's genetic ability)	Easy calving	Heavy	Light	Medium	High	Low	Light
	12 Weaning Weight Direct	Weaning weight (Calf's genetic ability)	Heavy weaner calves	Light	Medium	High	Low	Medium	Heavy
	13 Weaning Weight Maternal	Weaning weight (Cow's genetic ability)	Good mothers	Poor	Medium	High	Low	Medium	Good
	21 Mature Cow Weight	Cow weight at weaning of first three calves	Avg. mature cow weight	Light	Medium	High	Low	Medium	Heavy
	Cow-Calf Birth	EBV Birth Direct / EBV Mature Cow weight	Average	Low	Medium	High	Low	Medium	High
Fertility	22 Cow-Calf Wean	EBV Wean Direct / EBV Mature Cow weight	High calf-cow ratio	Low	Medium	High	Low	Medium	High
	14 Heifer Fertility	Age at first calving	Fertile heifers	Less	Medium	High	Low	Medium	More
	15 Cow Fertility	First 3 inter-calving periods (ICPs)	Fertile cows	Less	Medium	High	Low	Medium	More
	16 Scrotal Circumference	As measured during the growth test	Fertile bulls	Less	Medium	High	Low	Medium	More
Growth & Frame	17 Longevity	Retention of progeny	Acceptable progeny	Poor	Medium	High	Low	Medium	Good
	18 Post-Wean Weight	12- and 18 month weights	Good post-wean growth	Low	Medium	High	Low	Medium	High
	19 Average Daily Gain	Average daily gain	Good growth	Poor	Medium	High	Low	Medium	Good
	20 Feed Conversion Ratio	100g feed intake / g weight gain	Feed efficiency	Poor	Medium	High	Low	Medium	Good
	21 Final Test Weight	Final weight in the growth test	Heavy carcass	Light	Medium	High	Low	Medium	Heavy
	22 Height	Shoulder / Hip height in growth test	Average height	Short	Medium	High	Low	Medium	Tall
Carcass	23 Length	Length in growth test	Longer for more muscle	Short	Medium	High	Low	Medium	Long
	24 Length-Height Ratio	EBV Length / EBV Height	Longer rather than tall	<1	Medium	High	Low	Medium	>1
	25 Eye Muscle Area	RTU measured eye muscle area	Bigger steaks	Small	Medium	High	Low	Medium	Big
	26 Fat Thickness	RTU measured P8 backfat thickness	Carcass quality	Thin	Medium	High	Low	Medium	Thick
	27 Marbling	RTU measured % of intra-muscular fat	Juicy meat	Low	Medium	High	Low	Medium	High

\* Determined by own selection goal

## NOTES:

# HIPRABOVIS® 4

Tetraivalent, combined vaccine: IBR, PI-3, BVD and BRSV

## THE BENEFIT OF VERSATILITY

**HIPRABOVIS® 4** Combined vaccine, IBR, PI-3, BVD and BRS viruses, in injectable suspension. **COMPOSITION:** Combined vaccine, IBR, PI-3, BVD and BRS viruses, in injectable suspension. Inactivated Infectious Bovine Rhinotracheitis Virus (IBR), strain LA ≥107 TCID50; Inactivated Parainfluenza-3 Virus (PI-3), strain SF4 ≥ 480 HAU; Inactivated Bovine Diarrhoea Virus (BVD), strain NADL ≥106 TCID50; Live Bovine Respiratory Syncytial Virus (BRSV), strain Lym-56 ≥104 TCID50. **INDICATIONS:** Adult cattle: Prevention of Infectious Bovine Rhinotracheitis (IBR), Infectious pustular vulvo-vaginitis (IPV) and Mucosal Disease (BCD). Calves: Prevention of Infectious Bovine Rhinotracheitis (IBR), Parainfluenza 3 (PI-3), Mucosal Disease or Bovine Viral Diarrhea (BVD) and Pneumonia caused by Bovine Respiratory Syncytial Virus (BRSV). It can be used at any stage of pregnancy and lactation. **DOSAGE:** 3 ml/animal. Calves: Vaccinate with one dose at 4-6 weeks of age. Revaccinate 21 to 30 days later especially when very young calves are vaccinated. Administer a booster vaccination once a year. Heifers: Vaccinate with one dose. Revaccinate 21 to 30 days later, one month before the first mating. Administer a booster vaccination once a year. Cows: Vaccinate with one dose. Revaccinate 21 to 30 days later. Administer a booster vaccination once a year. **ROUTE OF ADMINISTRATION:** Intramuscular, into the neck muscles, or subcutaneous, into the dewlap. Dissolve the freeze-dried fraction with the liquid fraction of the vaccine and make sure it is completely resuspended before proceeding to its administration. Once the freeze-dried fraction has been resuspended, the vaccine must be administered within 3 hours. It is advisable to administer the vaccine when the liquid fraction is at a temperature between +15 oC and +25 oC. Shake before use. **WITHDRAWAL PERIOD:** 21 days. **UNDESIRABLE EFFECTS:** A sporadic anaphylactic reaction may appear in some sensitive animals. In such a case administer an antihistamine treatment. **SPECIAL PRECAUTIONS:** Store at +2 °C to +8 °C, avoiding freezing. Keep out of reach of children and uninformed persons. For more information, please refer to the insert leaflet. **PACKAGING:** 5 ds box (freeze-dried fraction + liquid fraction), 30 ds box (freeze-dried fraction + liquid fraction). **Registration holder:** Hipra Southern Africa Pty Ltd. Co.Reg. No. 2001/011457/07, P.O. Box 187, Menlyn, Pretoria, 0063. Tel: +27 12 348 1506. **Marketing Authorization Number:** Reg. No. G4060. For animal use only. Use medicines responsibly.

# Blueprint<sup>®</sup>

## BEEF PRO

organic mineral premix pack

## Performance through nutrition

Formulated to help your herd reach their full genetic potential throughout all phases of production.

- ✓ Enhances digestibility and nutrient utilisation
- ✓ Encourages optimal conditioning
- ✓ Boosts protein supply
- ✓ Improves rumen stimulation
- ✓ Supports gut health

WES- & SUID-KAAP

COMMERCIAL

**iSi-Tag ensures:**

## Continuous Animal Count

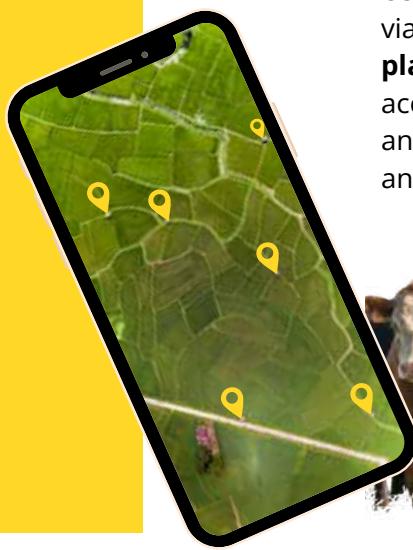

## Animal out-of-zone Detection

Virtual perimeters around the farm & conservation area, with go and no-go zones.

## Adhoc GPS Location Requests when out-of-zone

## Cover Area from 300m – 21km Live Tracking

## Mitigate Theft and Illegal Trade

## iSi-Tag Eco System

Longitudinal data is collected for users to monitor changes over time, using insights to trace and track movements, as well as improve animal monitoring practices.

iSi-TAG collects information on the animals and uses the tag analytics to assess whether behaviour is following normal patterns.

Data is transmitted via iSi-TAG's gateway, to the central data platform.

All data is gathered on a central data platform.

Users can access the data via iSiTAG's **management platform**, giving users access to monitor livestock and wildlife remotely, anytime and anywhere.

❖ Save time, save money and protect your farm.

❖ Receive Live alerts to your phone, PC and tablet. 24/7

❖ Resource efficiency and cost savings.

NUWE VERBETERDE FORMULASIE

## BEESVET 33+

LAAT JOU BEESTE EN  
JOU WINS SAAMGROEI!

Molaktek se kundig geformuleerde proteinenkonsentraat,  
Beesvet 33+, dit nie net jou vleisbeeste wat gaan spog met  
bultende spiere en massatoename nie ... ook jou beurste gaan  
bult met die ekstra wins.

- Ekonomiese vleisbeesafonding met die laagste koste per kg massatoename.
- Bevat 'n groeibevorderaar wat voeromset en groei stimuleer.
- Gebruik hoëgehalte, natuurlike protein wat volgens die aminosuurprofiel vir optimale karkasgroei gebalanseer word.
- Werk voedingsteuruisse en koksidiose teen.
- Verseker maksimum wins.
- Geskik vir die afonding van bulle en skoubeeste.
